Agile Kata Coach

Coaching the Journey to Agility through Continuous Improvement

An Agile Kata Coach is an individual seeking to master the integration of Agile coaching skills with the continuous improvement practices of the Agile Kata. Our dynamic course creates a unique experience for everyone interested in the application of this universal pattern for change.

Participants will learn to apply the Agile Kata through deliberate practice and hereby improve team performance, drive agile transformations, and business agility.

Simultaneously, the course emphasizes developing essential coaching, mentoring, and teaching skills to lead agile teams effectively toward more agility. This comprehensive training will equip learners with the tools to serve as both Kata-lysts for agile change and role models for teams and leaders aiming for high performance.
